(Stock code: 8402)

PROFIT WARNING

This announcement is made by GT Steel Construction Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the information currently available to the Company and the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the three months ended 31 March 2022, the Group expects to record a loss after tax of approximately S\$1.04 million for the three months ended 31 March 2022 compared to a loss after tax of approximately S\$0.74 million for the three months ended 31 March 2021. The Board considered that the aforesaid loss after tax was mainly attributable to (i) the continuous impact of the COVID-19 pandemic; (ii) the fluctuation in the price of steel due to changes in market supply and demand, which is affected by factors such as global economic conditions and the production capacities of steel mills; and (iii) higher subcontractor costs due to staggering start times and shifts implemented by the Singapore government as social distancing measures to combat COVID-19 and foreign workers shortage in Singapore due to the uncertainty in Singapore’s border restrictions.

As at the date of this announcement, the Company is still in the process of finalising the financial results of the Group for the three months ended 31 March 2022. The information contained in this announcement is only a preliminary assessment by the Board based on the information currently available to the Company and the unaudited consolidated management accounts of the Group, which have not been finalised nor reviewed by the auditors and the audit committee of the Company and is subject to adjustments.

Shareholders and potential investors should read the first quarterly results for the three months ended 31 March 2022 of the Group carefully, which are expected to be announced on 12 May 2022.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
